New Jersey and EVV

- New Jersey is an **Open Model state**
- New Jersey providers must implement EVV by **January 1st**, 2021
- HHAeXchange has been selected **as the State Aggregator**
- The State has adopted a **“No Wrong Door Path” approach**: HHAeXchange will be consolidating all visit data, regardless of the EVV system being used.

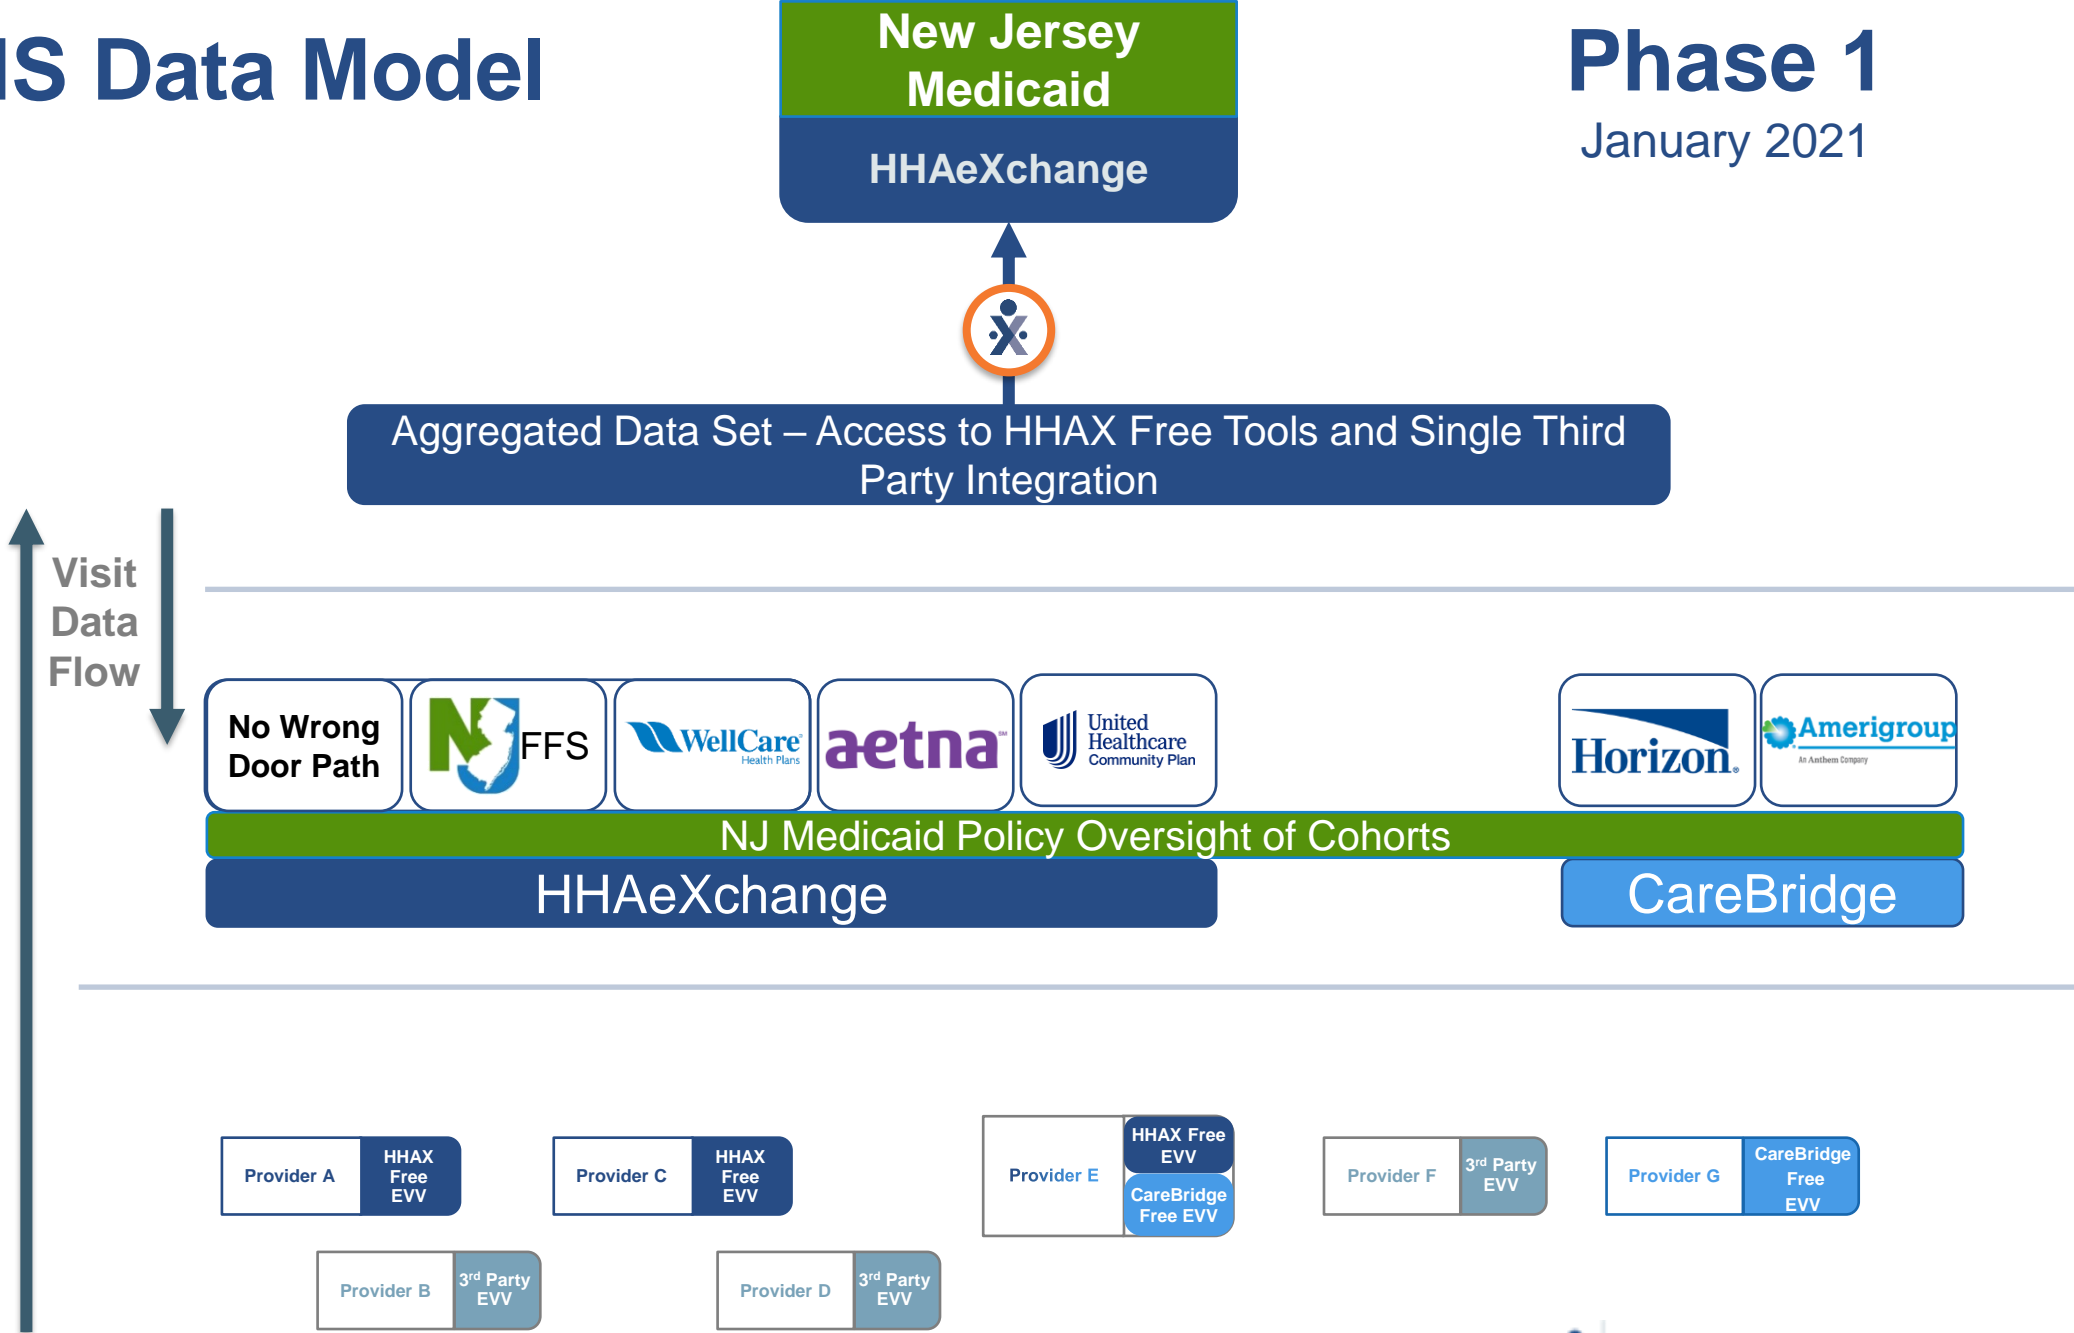

NJ EVVMS Data Model

Phase 1
January 2021

New Jersey DMAHS will provide consistent configurations, specifications, and policies to cohorts

HHAXchange provides no wrong door path to ensure all data submitted reaches the applicable Payer

Cohorts can continue existing/add new provider integrations and offer free EVV tools
