Agenda

- Current Implementation Status
- Go-Live Scope Changes
- Provider Training Update
- Timeline & Next Steps

Current Implementation Status

West Virginia and EVV

- Cures Act Mandate in effect as of **January 1st**, 2021
- West Virginia providers must implement EVV by **March 1st**, 2021
- HHAeXchange has been selected as the **State Fee-for-Service EVV and Aggregation Vendor**
- The state will provide a **free EVV solution through HHAeXchange** and collect all visit data, regardless of the EVV system being used

Provider Onboarding Status

- Total Providers: 166
 - Completed Survey: 148
 - HHAX Free EVV: 126
 - EDI (Integration): 22
 - Not Completed Survey: 18
- EDI Provider Attestation Tracking:
 - Completed Attestation: 18
 - Not Completed Attestation: 4
- Webinar Training Registration:
 - Registered for at least one session: 79

Go-Live Scope Changes

Go-Live Scope Changes

- Case management services **will not be in scope** for 3/1/21
 - EVV is not required at this time due to visits not being face-to-face
 - BMS and HHAeXchange will give a 3-months advanced notice prior to EVV being required for these services
- Billing through HHAeXchange **will not be in scope** for 3/1/21
 - Due to the tight timeline for providers to be EVV compliant, billing will go through your existing process as of the state go-live date.
 - BMS and HHAeXchange will give providers advance notice when billing will be required through HHAX

Provider Services in Scope

- ADW Personal Attendant – Traditional (S5130)
- ADW Personal Attendant – Personal Options (S5130 U1)

Provider System User Training will be provided via the HHAeXchange Learning Management System (LMS) along with webinars. Providers will have the options listed below to complete their training to understand the use of the HHAeXchange Provider Portal along with its functionalities. Please keep in mind both options are available to the provider for training and can be leveraged to complete the training.

Options for System User Training (*providers can utilize one or both training options listed below*):

Option 1: Use the Learning Management System (LMS):

Receive LMS Credentials from the HHAeXchange Onboarding Team and follow instructions to complete the courses and videos on a self-paced format to complete prior to go-live on March 1st 2021.

- An email will be sent to the contact that completed the Cognito Survey
- One Username will be sent for your Agency to use

Option 2: Attend a daily webinar for one week to be trained (02/08 – 02/12)

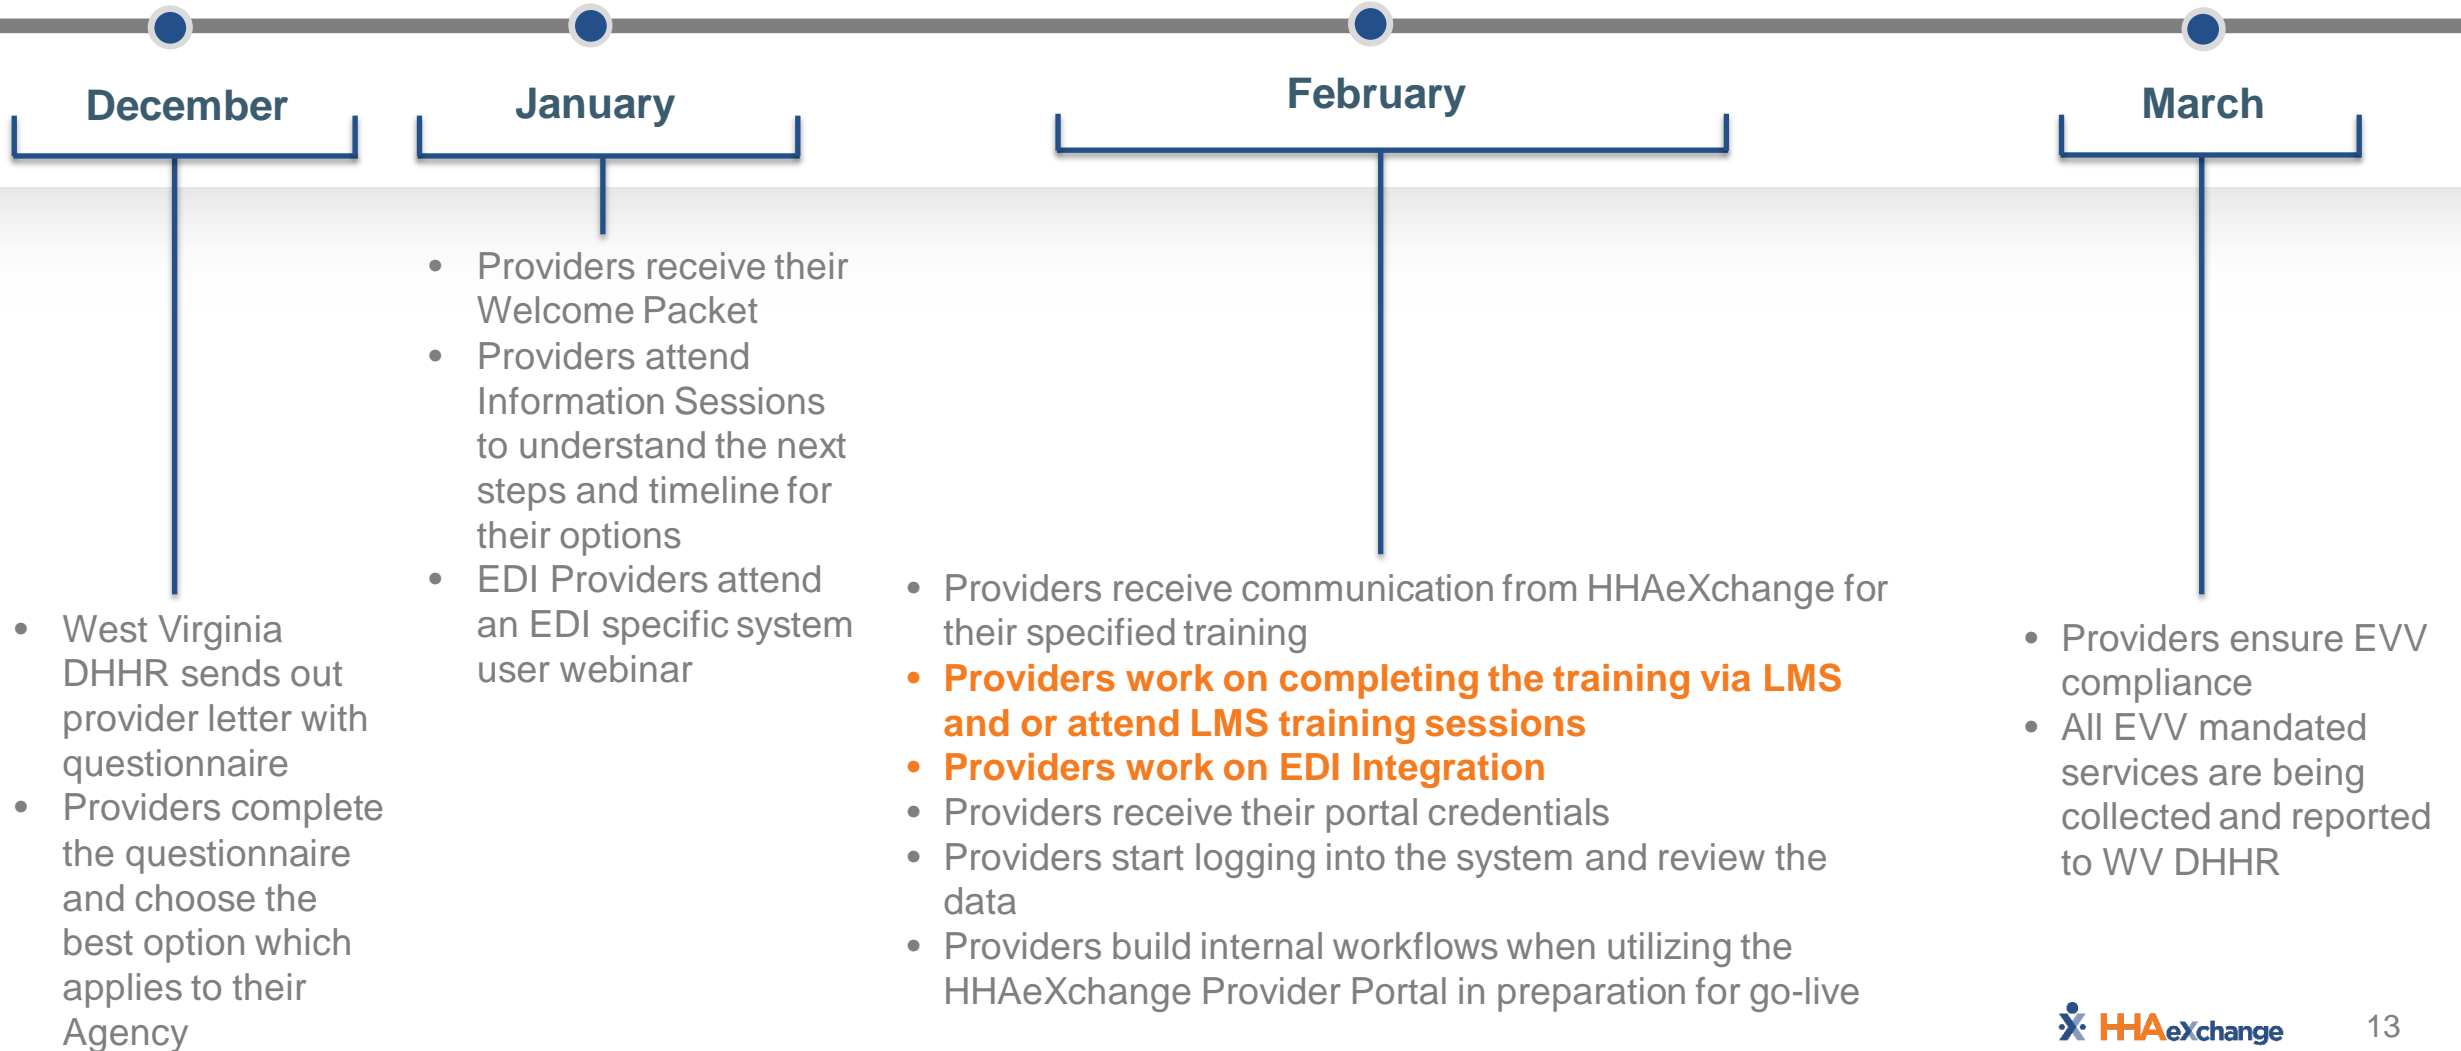

[Register](#) for User Training Webinars: Complete system user training by attending a series of webinars. The Webinars will provide the opportunity to view the same materials as the LMS courses. In addition, HHAeXchange staff will be available during the webinars to answer your questions live via an interactive Q/A chat feature.

Training will be held the week of Monday February 08th through Friday February 12th, 2021. Please see the schedule below, outlining the training topics specific to key staff roles in your agency:
