

Below are instructions for getting the **evvie** mobile app set up on your device.

Steps	Apple (iPad & iPhone)	Android (Tablets & Phones)
1. Open the App Store or Play Store app on your device.		
2. Click the search icon or the search box.		
3. Type "evvie" in the search box.		
4. <b>Apple:</b> Click Search <b>Android:</b> Click the word evvie that appears below the search box.		
5. Find the <b>evvie</b> app in the search results. Look for the "[A]" icon.		
6. Click "Get" or "Install."		
7. When the download is complete, look for the app icon on your device. Click the icon to launch the app.
