

Welcome to Electronic Visit Verification in New Jersey

Overview

Welcome to HHAExchange! We are delighted to have the opportunity to serve your provider agency! We value all of your efforts in delivering quality care to NJ FamilyCare members and have recognized all the positive experience you provide. At HHAExchange we want to help drive your provider agency's legacy as we continue down the path to EVV compliance. Your participation plays a vital role in the success of the State of New Jersey's EVV program, and we can assure you that HHAExchange is here to guide you through the process by coordinating with your provider agency from either the state aggregator level or provider level approach.

Now that you have completed the Provider Questionnaire Survey, we have outlined important next steps and dates specific to the options you have selected. Please review more details for your selected option and the timeline for the implementation specified below. Also make sure you register for one of the [Provider Information Sessions](#) in October.

For Providers electing to use their Health Plan(s) EVV system

For providers who elected to use the EVV tool offered through Aetna, WellCare of New Jersey, United Health Care, HHAExchange is providing a free EVV tool for you to manage EVV compliant visits.

For providers who elected to use the EVV tool offered through Horizon and/or Amerigroup, please coordinate with each MCO and CareBridge, to ensure your EVV visit data is submitted from CareBridge to HHAExchange successfully by January 1, 2021.

For Providers working with HHAExchange

Use the Free EVV tool provided by DMAHS and HHAExchange

For providers who elected to use the free HHAExchange EVV solution in coordination with all the New Jersey Payers, HHAExchange will work with your provider agency through a series of information sessions and trainings. These series of sessions and trainings are required to have your provider agency acclimated with the HHAExchange platform by January 1, 2021, in effort to meet the EVV mandate requirements.
