Agenda

- Provider Information Overview
- Go-Live Preparedness + Implementation Tasks
- FAQs
- Next Step and Resources

Provider Overview

Provider Landscape

New Providers:

- Providers who do not have an existing HHAX provider portal. These providers have two options for this implementation:
 - **EDI:** Integrate their existing third-party EVV system with an HHAX portal to send confirmed and billed visits to Healthfirst
 - **Free EVV:** Use a Free EVV HHAX portal to confirm and bill visits

Services Included in the Program

T1019 – Personal Support

T1019:TU – Personal Support (Overtime)

T2034 – Personal Support (Crisis Funding)

Go-Live Preparedness & Implementation Tasks

Member Management

HHAX Providers

- Providers will create customer
- Provider selects payer contract and completes auto placement
- Illinois DDD validates member information and confirms placement

EDI Providers

- Provider sends through interface file
- System validates contract for auto placement
- Illinois DDD validates member information and confirms placement

- After Auto Placement, members will need to be placed to appropriate office based on your HHAX office configuration
 - Multiple HHAX offices (locations) – Providers must assign placement to the desired office
 - Single HHAX office – Cases will be placed with no additional action required

➤ Authorization Management

Providers will manage Authorizations within HHAeXchange

HHAX Providers

- Illinois DDD will authorize based off current process
- Providers will create new authorizations within HHAX based on Illinois DDD authorization
- Provider created authorization should mirror authorization received from Illinois DDD
 - Total units/hours
 - Date Span
 - Service Code

EDI Providers

- Illinois DDD will authorize based off current process
- Provider enters Authorization in 3rd party EVV system
- Authorization is sent via API to HHAX from 3rd party system
 - Total units/hours
 - Date Span
 - Service Code

- Visits should be scheduled based on the Personal Plan provided by Illinois DDD based on the members service authorization
- Providers can schedule a single visit or can utilize the HHAeXchange master week to create a rolling schedule
- Scheduled services that are not performed should be marked as a Missed Visit with the appropriate reason and action taken.

Visit Confirmation

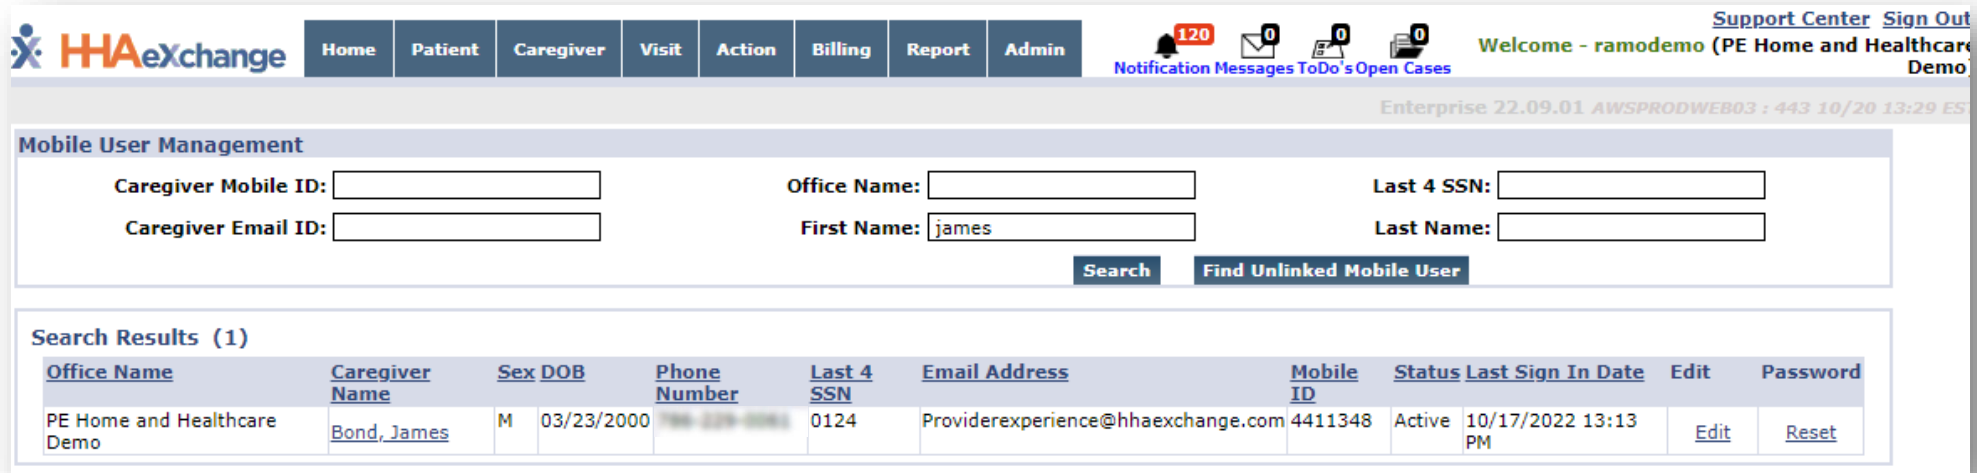

- Visits will be confirmed using the Free HHAX EVV tools or a 3rd-party EVV system
- Manual visit confirmations require a timesheet to be maintained outside of HHAX for auditing purposes
 - In HHAX, providers will enter an edit reason and action taken for why the visit was manually edited

Billing Process

- Providers will be responsible for resolving all Prebilling to ensure visits meet all EVV requirements
- Billing is not in scope in the HHAeXchange system, providers are responsible to continue billing outside the system

Mobile User Management

- Mobile User Management allows you to manage your caregivers mobile access for EVV clocking

FAQs

Training & Support for Agencies

- Illinois DDD State Info Hub | Provider Information Center
 - www.hhaexchange.com/info-hub/illinois
 - Primary source of all information related to the IL DDD EVV Implementation with HHAX.
 - Contains all documents, training links, and important dates

- Learning Management System (LMS)
 - HHAeXchange LMS: <https://hhaexchange.docebosaaS.com/lms/>
 - Only one username is provided per Agency and providers can share username/passwords across all members of their Agency that require training.
 - You will be prompted to change your password the first time you log in

- Once logged in, you will see a Learning Plan on your dashboard: Illinois Provider Learning Plan.

Training & Support for Agencies

- Log into your Provider Portal
- Top Right Corner of the screen is the Support Center, Contact Support, Remote Support and Live Chat Option

Training & Support for Caregivers

Question: Where can I access Training Support and Resources for my caregivers?

Answer:

1. Visit the Support Center once you have logged in to your portal > Caregiver (left side of page)

The screenshot shows the HHAeXchange portal interface. The top navigation bar is dark blue with the HHAeXchange logo. Below it, a light gray sidebar contains a menu with the following items: Welcome, System Introduction, Patient, Caregiver, Caregiver Management, Caregiver Compliance, Caregiver Search and Communications, Caregivers in Multiple Offices, and Caregiver Expense and. The 'Caregiver' item is highlighted with a red border. The main content area is white and features a 'Welcome to HHAeXchange' heading. Below the heading, there are links for 'Provider Portal Resource Page' and 'HHAeXchange Client Support'. A search bar is visible on the right side of the page.

Adding Caregivers

Question: Am I responsible for adding caregivers to my provider portal?

Answer: Yes, providers are responsible for adding all applicable caregivers into your provider portal

Question : How can I add caregivers?

Answer: Providers can add caregivers under the caregiver tab in your provider portal. Review the [Caregiver Management Process guide](#) for more information.

Question : Can I bulk import my caregivers?

Answer: Providers can bulk import caregivers at the beginning of the project **if you have a high census of providers.** Instructions can be found on the [Caregiver Bulk Import Process Guide](#).

Caregiver Mobile App

Question: How do I retrieve the mobile ID?

Answer: When first setting up the mobile app, the system will create the mobile ID. Navigate to Settings and User Agreement to find the Mobile ID.

Question: How do I reset mobile app password for my caregivers?

Answer: A caregiver can reset their own password directly from the login screen using the “Forgot Password?” link.

Resources:

- [Caregiver Mobile App Process Guide](#)
- [Agency Mobile App Process Guide](#)

Caregiver Mobile App

Question: What if the caregiver does not have Wi-Fi connection or internet access?

Answer: Caregivers can turn on Offline Mode. With this feature enabled, Caregivers can Clock IN/OUT successfully while offline. Review this process with the [Caregiver Mobile App Process Guide](#). (Offline Mode p. 62).

Additional information can be found on the Support Center by entering “Offline Mode” on the Search Bar icon.

Question: Is Billing in scope for DDD Services for IL Providers?

Answer:

- No, billing is out of scope

How to link members to the Illinois DDD

Question: How do I link my members to the Illinois DDD contract.

Answer:

- Providers will be responsible to add all members they service into their provider portal
- Once members have been added, providers will navigate to the contract tab and select the Illinois DDD contract
- Members will now be linked to the Illinois DDD contract if there is a match. Providers can then add in any authorizations for the member.
