

Welcome to Electronic Visit Verification

Overview

We are delighted to have the opportunity to serve your Provider Agency. We value all your efforts in delivering quality care to your members and recognize all the positive experiences you provide. At HHAeXchange we want to help drive your Provider Agency's legacy as we continue down the path to Electronic Visit Verification (EVV) compliance. Your participation plays a vital role in the success of the UnitedHealthcare Community Plan of NY partnership with HHAeXchange, and we can assure you that HHAeXchange is here to guide you through the process.

We have outlined important next steps and dates specific to Providers who currently use the free HHAeXchange EVV tools. Please review more details regarding the timeline for the UnitedHealthcare Community Plan of NY implementation specified below. These steps are your key guidance the various requirements to ensure you are on your path of success with HHAeXchange.

For Providers working with HHAeXchange

Using the Free EVV Tool provided by UnitedHealthcare Community Plan of NY and HHAeXchange

UnitedHealthcare Community Plan of NY has partnered with HHAeXchange to provide a free Electronic Visit Verification (EVV) and billing tools for Member placement, scheduling, authorization management, communication, and direct billing for Home Health Aide services.

For Providers using the free HHAeXchange EVV solution in coordination with the UnitedHealthcare Community Plan of NY EVV program, HHAeXchange works with your Provider Agency through a series of information sessions and trainings. These series of sessions and trainings are required to have your Provider Agency acclimated with the HHAeXchange platform, to meet the EVV mandate requirements. The information session provides the background and major milestones required while the training assists in understanding the different functionalities available to you in the HHAeXchange Provider Portal.
