# Recap on Major Points

- Pending Placement – Please use the configuration on the user management side
- Please note that in order to ensure a user can both view and accept all Placements sent by these payers, the Accept Unspecified Office Placements checkbox must be selected in the HHAeXchange System User’s Profile.
- To enable a user to view these “unspecified” placements (sent by a Payer to an Agency and not a Specified Office) on the Home Page:
  - **Edit the User’s Profile (Admin > User Management > User Search > Edit User > Update User Account)**
  - **Select the Accept Unspecified Office Placements checkbox (CLICK HERE to see a visual for where this field appears)**
